ABOUT ME

As a motivated and adaptable person, I excel in dynamic environments through effective communication, self-learning, and collaborative problem-solving. With strong attention to detail and exceptional time management, I deliver high-quality results while efficiently managing multiple tasks. Having led a team of twelve medics, I honed my leadership and decision-making skills . I seek opportunities to enhance my skills and stay current with industry trends. Passionate about excellence, I aim for personal and organizational success. Bilingual in Hebrew and English.
